

Inside the new Sports Centre

Dulwich College Preparatory School gets new Sports Centre

Lee Evans Partnership has just completed a new Sports Centre for Dulwich College Preparatory School for use by pupils and for lease to groups within the local community.

The new 4-court multi-use Sports Centre is built with a focus on cricket and has a screeded floor as opposed to the usual sprung timber. Other sports facilities include badminton, netball, basketball and hockey as well as a climbing wall. Built to a high acoustic specification, with acoustic cladding on both the walls and ceiling, the hall also features a viewing gallery which can accommodate over 200 people and which offers additional space for activities such as fencing, table tennis and aerobics.
