Phil Ward**

## **Architect Phil Ward joins Lee Evans Partnership**

Lee Evans Partnership is pleased to welcome architect Phil Ward to the practice. Twenty-eight year old Phil joins us from Clague's Architects where he has worked for the past three years. His particular area of specialism lies in the education sector.

Phil says his hope is to develop as an Architect and to experience the reality of contract administration on site, whilst maintaining his strong architectural beliefs. Passionate about design his over-riding objective is to fuse architecture and landscape into a whole composition.
